SANN LA WON, UI/UX Designer

Work Experience

UI/UX Designer, MO.Co.,Ltd.
JAN 2021 - present

MO is a digital financial bussiness. Here are some of the projects I did as a UI/UX designer:

Apps

Researches real user requirements and designs UIs to better adapt Android and iOS devices. Prototypes high fidelity UI and designs graphic preview screens for play store and app store of applications.

- MoMoney Subscriber App
- MoMoney Agent App
- MoMoney Merchant App
- MoBiz App (B2B) and etc.

Websites

Designs new UIs of websites to introduce the Company's Apps and Foundation activities. And developed responsive static websites of MO, MoMoney, Shwe Bank and MoFoundation.

- Shwe Bank
- MO.

Portal

Redesigned existing UIs of mobile banking, working closely with product and business managers to get better UI/UX.

Education

Technological University (Hmawbi)
